Re: Request for Waiver of Regulatory Fees
Fee Control No. 00000RROG-03-052

Dear Mr. Greager:

This is in response to your October 7, 2002 request for waiver of the Fiscal Year 2002 (FY 2002) regulatory fees for the translator stations K245AB, K251AF, K261AA, K269AB, K274AF, K280AE, K07IU and K19CE. These stations are licensed to Professional Antenna, Tower and Translator Service (PATTS). You state that that PATTS' translator stations are owned and operated by PATTS and operated without advertising support and without support from the commercial broadcasting station. You also state that they are dependent on support from the community they serve.

In implementing the regulatory fee program, the Commission stated that it would waive its regulatory fees for any community-based translator station that:

(1) is not licensed to, in whole or in part, and does not have common ownership with, the licensee of a commercial broadcast station; (2) does not derive income from advertising; and (3) is dependent on subscriptions or contributions from members of the community served for support.

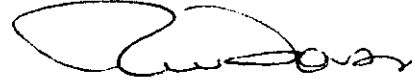

Implementation of Section 9 of the Communications Act, Memorandum Opinion and Order, 10 FCC Rcd 10,891, para. 16 (1995). Based upon the statements contained in your request, it appears that PATTS has the type of translator operations for which the Commission proposed to grant relief from the regulatory fee obligation. Under the circumstances, we will therefore waive the regulatory fees for PATTS' translator stations for FY 2002.

You should note that PATTS is under a continuing obligation to report to the Commission any changes that could affect its qualification for this fee exemption. You should retain this letter, and a copy should be included in any correspondence with the Commission concerning the regulatory fees for your translator service. If you have any questions concerning the regulatory fees, please call the Revenue & Receivables Operations Group at (202) 418-1995.

Sincerely,
